United States Department of Agriculture  
Associate Deputy Administrator  
Livestock and Seed Program

Dear Mr. Sessions:

I am writing in support of the USDA recently issued Interim Voluntary Country of Origin Labeling guidelines. I urge you to implement these measures which would require, on labels, information concerning the type of fish (wild-caught or farmed) as well as its country of origin. This is essential consumer information that would allow me to make responsible consumer choices for a sustainable future.

Thank you for your time.

Best,

A handwritten signature in black ink, appearing to read 'Rivkah Beth Medow'. The signature is fluid and cursive, with a long horizontal stroke at the end.
